\$ per student	\$31.59

## MIDDLE SCHOOL DATA

Revenue From Donations per Student Low: \$ 4.15 per student  
 Revenue From Donations per Student High: \$240.79 per student

The "Donations" to Middle Schools appear to be very low per student because most of the fundraising is done through Booster Clubs and Foundations. The data shows that not all Fundraising Organizations are reporting their "Donations" to the District.

MAKO Ed Foundation	Fraction Nation Grant	\$135.00
MAKO Ed Foundation	Computer Lab Grant	\$9,363.77
MAKO Ed	Computer Lab Grant	\$21,738.82

## Foundation

Total Donations	\$117,268.84
Number of Students	487
\$ per student	\$240.79

## HIGH SCHOOL DATA

Revenue From Donations per Student Low: \$ .81 per student  
Revenue From Donations per Student High: \$20.37 per student

The "Donations" at the High School level appear to be very low per student because most of the fundraising is done through Booster Clubs and Foundations. At the High School level there is often a Booster Club for every sport, and sometimes a Booster Club for individual subjects of interest. The data shows that not all Fundraising Organizations are reporting their "Donations" to the District.

## Aliso Niguel High School

### February 8, 2011 Board Meeting
